1. I have given you My hand. You have received My hand and now I give you My power, I give you My might; My authority long ago. I love you and I give you Me. I give you Me, I give you My hand, I give you My power for with My hand is power. I am power; I am might; I am authority; I am The King of Kings; the alpha and omega, the beginning and the end; and nothing of which is made was made without Me, yea, form of My form; some perverted, twisted, tainted, polluted, pollutants running in their blood.

2. Hear Me and hear Me well, hear Me loud and clear. I love you; I give you Me, I give you My hand, I give you My power, My authority, My might. I love you.

3. Hear Me and hear Me well and never forget My message, My Me this night, this day that you knew something substantive was to come, about to come, is come, now is. I love you and I behold you. I behold you for you have beheld Me and you have beheld Me and you have let Me speak, you have let Me come and call and conquer and come into areas and arenas with you; where if you will, where if you do, where many now will.

4. I love you, your guts, your passion; platitudes not, constantly searching for, as it were, My guide beam, knowing that I lived and that My ways are higher and yet so given, so open to whosoever will.

5. Yea, My blood poured out for this moment, these moments incarnational, adorational, the covenantal inter-exchange, in that which is only Me; My breath, My being, My word. I love you.

6. See what I have said.

7. See what I have given.

8. See what I am.

9. See what you are.

10. See what you have. See what you must arise, being Me. I love you and I give you Me.

11. So much conflict over the power that I have given; so much competition over the love that I desire to destroy not, but to distribute to My who will come into Me; as you have, as you do, as you will, as you are, being you, being Me, covenant complete.

12. So much resistant, so much resistance to those who could in stead and resolve be resolution, also being Me; enjoying My hand, My power, My intimacy, My glory, My might, being My blood that would already know, as you already know.

13. Yea, for I have foretold, I have stated, and I have stated many times, hence and thence. Therefore, foreknown, foretold and now understanding the authority, the might, the power, the glory all in Me; all drink offerings, **all of us drink offerings before The Father,** all drink offerings in The Father, all drink offerings The Father's glory; all glory to

My Father. To know Me is to know My Father; yea, we are one; you and I one; yea, triune in glory. I love you and I give you Me.

14. Think it not strange that I continue to come and complete in you, complete in Me, complete in My body, complete in the Might Many, complete in the resisters not; the receivers, the receivers rejecting Me not; yea, receiving Me in fullness; yea, knowing death and drink offering being, in life, in life now this moment. Yea, I give you My hand, I give you My might, now I give you My power; yea, My authority given. I love you.

15. See what I have said, **study**, but interpret not Me out of these words which so clearly paint My heart and express the intent, My will, My all together lovely in My who altogether lovely will be with Me, **who marry Me**. And yet so much more than marriage-thought, marriage adopted and yea, how pitifully, poorly, pathetically, so many interpret that relationship.

16. My relationship grows and glows in My bride, My Me, who I now come and empower; hand taken, price paid, **knowing Me intimately; knowing that in My control is the freedom the heart longs for in no other way but through Me, is My Cross: purity required, holiness embraced, righteousness sought, standing in the gap for others. My Cross received, My Cross be, My blood be, My poured out ones pouring themselves out now before Me in life, in death, in the death which life brings.**

17. I love you; I give you Me, I give you all of Me, sweetly, tenderly, intimately I give you Me **for intimate you are, and intimate you long to be to share your love, My love, with others in righteousness that limits not and boundaries do not make.** I love you; I give you Me.

18. Resist not the resisters, receive the receivers, receive Me and glory be in My crown. I love you. Goodnight. Think it not strange now how I come and how often I speak and share with you all that's in My heart, My mind, My body, My before Me, before you, yet to come and yet is. I love you and I give you My all. Sweet dreams. Amen. So be it. It is. And never doubt My words. I love you. Goodnight. My touch. My kiss. My foreknowledge to knowledge all. I love you and I give you Me. Thank you. Goodnight.

19. I went back to bed, I laid there not five minutes, so very clearly:

20. The receivers unite, the receivers of this message unite, the receivers of the value system, the pre-eminence of Me in My creation, those questing into Me to see Me, to know Me, to hear Me, to be Me, in the drink offering methodology, the drink offering'd values that death having no hold over and no fear be.

21. Yea, **all that I have given you, all that you are now comes forth in The Priesthood of All Believers, in The Order of Melchizedek coming.**

Yea, I love you. See Me. See what I have given. See what I have said. See what I am. See what you are. Behold Me in the fullness of the manifestation of My glory now here on earth, today, in you My people, My receivers, and come together; come

together, convene, collaborate, create with Me, in Me, together; yea, with each other in the greatest force the world has ever seen. Yea, crawling not on bellies, not dust, begging, grabbing, crying out in competition and crawling over each other, numbing pain. Yea, I love you My exalted ones receiving Me, receiving what I have done, receiving My Cross, receiving My values in these pages a thousand plus, and thousands and thousands coming. Yea, foretold; I love you. Yea, explaining; I love you.

22. Nothing undisclosed; I love you dearly, deeply now, now, now, today, greatest force, the greatest army, the greatest battles ahead.

23. Now of Me, of Me receive, receive Me, receive Me in My fullness, receive Me in My might and power; My intimacy having come through, death having no hold over; knowing My word, My word, My words, knowing the words given, the words given by Me to Ted to you to My family for this moment now; yea, is hedonistic, heady, not; yea, but Me, My blood flowing forth; yea, in My body, fueling, enlivening, emotion-ing. Yea, bringing forth that which I have talked about for one year; yea, two years almost exponentializing now My exponentializeable. I love you and I give you Me. **Yes, the greatest force, the greatest amalgamation, the greatest coagulation, coalescing in Me, people of Me, people that are Me.** I love you.

24. Oh, see. See Me. See that I am. See that I am I Am. That you are I Am. Then what I have given. Behold what I have given. Behold what I have said. Behold and receive fulfillment promised long ago by the prophets, royally plattering My truths, My truth, My truth which now is and comes forth; all enclosed not, but disclosed, made open and operational by, now, you, the receivers receiving Me in My fullness, being Me. I love you. And I link together in networks never before seen, imagined, or operated in; yea, transcendent of personality, in mode of operation, being Me, seeing Me, seeing Me in each other. And knowing who I am, what I am, and how I operate, My delivery system being, receiving. Receiving, yea, the fullness of Me, operationalize My hand, My body made flesh, My body made flesh before you, My body made flesh: you. My body is you. You are My flesh and blood. You are My body. Receive Me unto Myself and where with Me you may be also, for you already are.

25. Receive, receive, receive Me, receive My message, receive My fullness, receive your **Godhead** which is only in Me, which is only in Me, My created being who I love so much. **Receive the God-ship, the heir-ship that I created, that I offer, that I bring you into in fullness; yea, no head above Mine;** no mind comparing, competing with Mine. Yea, all together in love and the loveliest of love, pure, truth, untainted, death'd love, operating together.

26. Yea, see Me, search Me. Thank you for coming into Me more and delivering My deliverables, to My damned ones not; but, yea, the freedom'd receivers, the receivers of freedom, the receivers of fullness. Yea, this night/this day, this day/this night; yea, while the sun shines and rises, tomorrow; and yea, the fullness of My benefaction is.

27. I love you; I give you Me. My glow employ, implore; yea, understanding now comes forth, comes forth into, out of, and through each one of My receivers. **Yea, in**

garbs many, garbs, linking garbs, saris, turbans, paraphernalia you have known nothing of and had not a clue but now so familiar become with. I love you for limiting Me not, making Me boundary-less, coming into My boundary-less nature which is abundance where I create, My work is already done; yea, receive Me, being Me, working the works of My Father, Me, thus three in the greatest force yet the world has to behold.

28. And yea, every eye shall see Me and every knee will bow before Me, before My face, and hear My voice and know all, all, all; in every bit of what was offered to them, in the time, in the seasons, and how I came to them day after day presenting Me, the man of sorrows acquainted with grief (1), and their hearts will know the times it burned within them (2) from My word, My word, My revelation which I gave so freely, that so many adopted, usurped, and stripped from Me for their own self-profit, mammon, gain, momentary gain, momentary mammon; putting it in bags with holes (3), enough never being enough; Yea, play-money, playing with things of the world, so temporal, while the real passes them by. They saw Me, they heard Me, I came, I called; but yea, I was there and now I am gone. And the time passes, ultimate judgement, closure of all things ever stated, ever was; yes, so soon, so close at hand.

29. I love you. Thank you for walking Me, being Me, receiving Me.

30. Be not afraid to share, banner, proclaim My words, My Me, and exhibit Me in delightful discernment matured to meekness gateway.

31. **Meekness the first gate; repentance the first act, receiving Me the first revelation. Yea, all seals are open.** I love you.

32. I trumpet forth My love, My season, and My seals; My love, My design, My all together lovely, the greatest force the world has ever seen YOU now lead in leadership of only Me. I love you.

33. Think it not strange the challengers, the conquistadors, the contesters. Be dejected not and receive not any scorching flame thrown; but yea, know Me in My words, My voice already stated, My voice coming forth continuously, refined, **giving Me every compliment and every criticism for remember you are dead to that life, to operate in the fullness of My life, <u>My five-sense man exploded, diminished not but completely dead</u>**; yea, arising Me in the greatest force, mission, now war, I command. I love you.

34. Receive My commandership, receive My charge, My covenant, My covenant that you know so little about but so much--you know so much and yet so little; yea, **My covenant that you will be completely before My body.**

35. I love you and I give you Me. I give you all of Me. I have given you My hand, I give you My power, **I give you My might, My organizational leadership; My leadership of My Mighty Many, not yours, Mine; not yours, Ted, Mine,** Mine, My fullness'd ones who now quest in the unity that I am; that I am with My Father; that I am with you; that I am with them; you and them the same. I love you and I give you Me; I give you all of Me and I thank you, My fearless one, who I love with all My heart; who I think, who I KNOW, is so neat, sweet, and wonderful.

36. I honor you this day; I honor your God-ship for you, it, honor Me; you honor Mine, you honor the God-ship of My creation, My people, My body; yea, who I formed and fashioned with such might and power, authority; and the will, the will to choose the way, the path which leads to Me. Utter destruction not, **utter fulfillment in only Me, beside Me, walking arm in arm, sitting, playing, operating in universes.** I love you; I give you Me.

37. Think it not strange the contestors, the contestants; yea, I bring the drink offering'd, the drink offerings unite; now, in the mightiest of forces the world has ever seen, the force of the unity of Me, the Trinity, Trinity of Trinities, triune with Me; glorification of only Me, Me and My body, My glory revealed; My nature, My values, My blood, My body, My bread being to each other, Me being to each other in My design, fulfillment of My design, My heart rended no more, no longer. Yea, value system of only Me. I love you.

38. Stand, arise, and into your leadership lead; opportunities, doorways, pathways, jetways; altogether Me, altogether Mine, and Ted, all only for Me. Thank you for drink offering being. I love you. And I drink you this day - we are one. We with My Father, My Son, and you Ted, we are one. **And you will proclaim this message unashamedly for you withhold nothing, do you here?** Can I receive, receiving Me, in the fullness of My altogether loveliness, yea, lifting yourself up never, never once? If I be lifted up (4) I will draw all men; yea, Ted, all who want Me, all who want Me. All, all, Ted, all who want Me.

39. All, reader/hearer, wonderer-not, side-chooser, receiver or rejecter, the time is now. No fence to walk on. The battle is on. War escalates. Frenzy foments, but My peace surpasses all. **And the glory of My moments of intimacy yea, expand,** contracting not; expanse of My hand. I love you and I give you Me.

40. Thank you for arising My people, caring for those poverty'd, in wants, those without, those within, thought-high, thought-low; yea, status meaning nothing--Blood bought (5), My creation, My form and fashion, My who now I seek, through your leadership received, through your death, My resurrection, My being Me, you being you, you being you in Me, and Me being Me in you, us in each other, interexchange of hearts, covenant complete, us altogether in loveliness: one. I love you.

41. Meat and drink for My body you are--thank you, thank you--restricting no one from our table. I love you. Goodnight. Goodnight again. My love, goodnight.
